

Trip To Bali

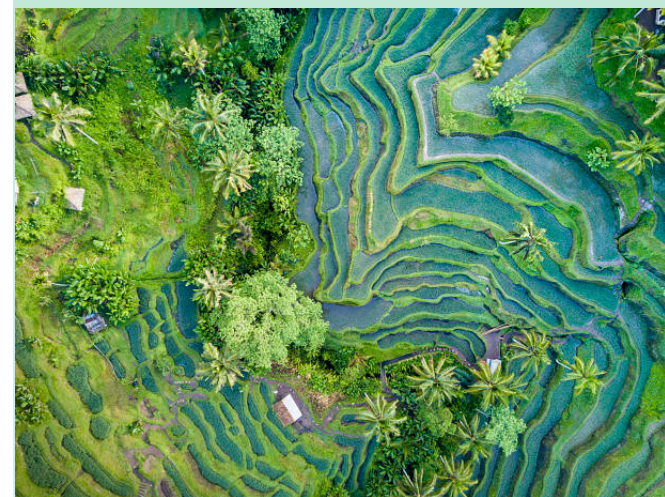

HISTORY

In 2500 BC a small Asian village emigrated to the island of Bali. After several struggles for independence, in 1946 it was occupied by the Dutch until 1949, when a politician fought to make Bali belong to the Republic of Indonesia.

LOCATION

Bali, also called Island of the Gods, is located in Indonesia and is part of the Sonda Islands. Bali can be reached in fourteen hours by plane. There is no railway network on the island and there is public transport in only one part of the island. Travellers often travel by private taxi.

ATTRACTIVE

Bali today is an island renowned for its coral reef and its forested volcanic mountains.

The main attractions is the Tanah Lot temple, a marine temple located on a rocky island. The Temple is open from 7am to 7pm. The entrance price is €3.50, beautiful celebrations are held every 6 months. It is best to dress appropriately if you want to visit the Temple during celebrations or even on normal days.
